

Dear (German) language friends and colleagues,

A very welcome to the new academic year of German learning and teaching! We are delighted to announce the launch of the 2019 Oxford German Olympiad - in plenty of time for the deadline next March.

This year's theme is **Animals and Monsters**.

The tasks and guidelines for the Olympiad's first round, for pupils from year 5 to 13, are now online and can be accessed here:

<http://www.ogn.ox.ac.uk/content/oxford-german-olympiad-2019#overlay-context=>

We are also, for the first time, including some 'Taster' tasks aimed at pupils who have no prior experience of studying German. No excuses now!

Please share these links with classmates, friends and teachers who might be interested. Spread the word!

The Oxford German Network has very much enjoyed receiving your entries to our Olympiad in previous years, and we hope to receive as many wonderful submissions from you this coming academic year. We look forward to receiving your entries by:

**12 noon, March 15th 2019**

Please note that, in alignment with GDPR requirements, we now ask for a signed consent form to be uploaded with competition entries (more information on this can be found in the guidelines). If you have any queries, do not hesitate to get in touch by emailing [ogn@mod-langs.ox.ac.uk](mailto:ogn@mod-langs.ox.ac.uk).

Mit vielen lieben Grüßen

Heike
