One there were seven little kids
 and a mother. One day the mother
 was going to get food and told
 the kids to be aware of the way.

Ich bin Muttie
 Nein, das ist nicht Muttie

So the mother looked. When she was
 out of sight the way came to
 the house and knocked on the
 door. The kids didn't let him in
 because of his voice. So he ate some stalks

He knocked. The sound time.
 But they still didn't let him
 in. So he rubbed glow on
 his feet.

This time when he knocked they
 let him in and he gobbled
 them all up, except one. When
 the mother came back she was
 horrified.

Later when they were walking
 along, they saw the wolf
 with a big tummy. The
 kid got a pair of scissors.
 The mother cut his tummy open

Just then all the kids jumped
 out. The mother put rocks in,
 then saved the tummy up. The
 wolf he was all up for
 the well.
