BULK ENTRIES: Teachers who would like to enter student entries in bulk please contact olympiad@mod-langs.ox.ac.uk for instructions.

Please read the following guidelines carefully before entering the competition:

1. Entries must be submitted using the Online Entry Form. Please take care to specify on the Online Entry Form **which task you are submitting an entry for** (e.g. "Year 7-9, Task 1", "Discover German, Task 2", etc.). **Entries submitted in the wrong category will not be considered!**
2. Entries should be the work of the entrant(s) alone. Any additional assistance given by teachers or others should be noted in the space provided in the Online Entry Form and/or on the teacher form. Essays found to have been produced with AI tools will be disqualified. Entries which the judges consider were produced with the assistance of online tools will be disqualified.
3. All text included in the entries should be in **German** except where stated in the task instructions.
4. Entrants must be resident in the United Kingdom. All entrants must indicate how long they have been learning German and/or if they are native speakers of German.
5. Entrants may only enter as individuals. **Group entries will not be considered except for the "Open Competition for Groups" category**, which is open to **groups of 2-4**. Entries from groups of more than 4 will not be considered for the "Open Competition for Groups" category.
6. Entrants may only take part in one task within their age group as INDIVIDUAL entrants. They are permitted to submit an additional entry as part of a GROUP.

7. Where 2 or more entrants are entering as a GROUP, one nominated entrant should fill in the entry form. In the relevant box, the nominated entrant should list the first name and surname of each other member of the group. **Please ensure you have permission to do so from your fellow group members.** For entrants under 13, each group member will need to submit a **Consent Form** (see below or https://www.ogn.ox.ac.uk/files/parent_form.pdf). The nominated entrant is responsible for informing their fellow group members about any communications from the Oxford German Network, e.g. about results, invitation to the prizegiving, etc.

8. Unless specified otherwise, entries should be submitted in one of the following formats only:

- * Microsoft Word document
- * PDF
- * JPEG

Film entries should be uploaded to www.youtube.com and a copy of the link submitted via the online form. The link must be entered in the relevant box AND uploaded as a Word or PDF document (the document should only contain the link). Original work in the form of a website link should also be submitted via the online form in the relevant box AND uploaded as a Word or PDF document. Note that many schools have their own YouTube channel which you may be able to use. YouTube also allows you to set up a private channel so that the only people who can see your video are those to whom you have sent a link. Please ensure that the link is enabled for the Olympiad judging team to view it. **Make sure you have discussed this with your parent(s)/guardian(s) and your teacher before you upload anything to the internet! You must also make sure that you do not upload any material that is subject to third-party copyright.**

9. The judges will take account of academic level, creativity, linguistic accuracy, stylistic sophistication and – where appropriate – factual accuracy of the submission. **The decision of the judges is final and no correspondence will be entered into.**

10. **Every submission** must include a completed **Olympiad Teacher Form** (see below or <https://www.ogn.ox.ac.uk/files/ogn-olympiad-teacher-form.pdf>). If no teacher form can be supplied, please send an email to olympiad@mod-langs.ox.ac.uk with the subject line 'Olympiad Teacher Form' providing an explanation.

11. Entrants under the age of 13 (i.e. ages 9-12) must provide a **Consent Form** (see below or https://www.ogn.ox.ac.uk/files/parent_form.pdf). It must be signed by parents/guardians of entrants under 13, and a copy uploaded alongside the entrant's competition entry. Typed digital signatures will not be accepted. HEAT agreement

The Oxford German Olympiad is part of the University of Oxford's outreach activity, which means that it is part of a programme of activities the university undertakes with schools to increase knowledge about Higher Education and to widen access. As part of this outreach activity, we collect some personal data and record it in the Higher Education Access Tracker ('HEAT'). The University of Oxford uses the HEAT service and database (www.heat.ac.uk) to record information about its outreach activities and the students who take part in these activities. HEAT helps us identify which activities are most helpful in preparing students for higher education and progressing to employment. HEAT is, or may be, used by different parts of the University, including colleges, faculties, departments or administrative units, as well as by other entities associated with the University. When you submit your entry to the Olympiad you will see a link to the HEAT agreement, which gives full details of how your data may be stored and used. If you are comfortable with our recording your personal details in HEAT, please tick the appropriate box. This is entirely optional and whether or not you agree has no bearing on the outcome of the competition, nor on University admissions. If you are under the age of 13, please discuss this with your parent or guardian.
